

*“Greaney Consulting is all about getting you to reach your potential & developing you and your people”*

Mark Greaney is a Facilitator and Organisational Development Consultant with 10 years experience in people development.

Mark's core skills are in the facilitation of training programmes and in building relationships with participants and clients. His considerable range of working and travel experiences enables Mark to interact with participants across a wide range of different work environments, build rapport easily and enhancing their training experience.

Mark enjoys working with a variety of companies in the public and private sectors including professional services, manufacturing, pharmaceutical, utility and central government organisations. Mark thrives on the energy of the people he trains and draws on life experiences in management, recruitment, contracting and teaching both in NZ and in the UK.
